Sowing the seeds of success

Dear Parents

Friends of South Farnborough Infant School have set up an account with www.easyfundraising.org.uk making raising funds even easier for parents and at no expense!

There are two ways to raise funds:

Shopping online with EasyFundraising

If you buy anything online you can raise money for South Farnborough Infant School by shopping via the easyfundraising website. They have a directory of over 2000 retailers who will donate a small percentage to SFIS through easyfundraising for every purchase made.

For example, earn up to £2.50 for the school by buying your groceries online from Asda or Tesco's and up to £0.25 for each time you shop with Sainsbury's. You can also earn up to 2.5% on purchases from Amazon.

All you need to do is to register, select Friends of South Farnborough Infant School as your cause and start shopping!

Log onto www.easyfundraising.org.uk. Click on 'Register', fill in form and select Friends of South Farnborough Infant School as your cause. When shopping, go into the easyfundraising website first and then select the retailer you wish to purchase through and continue shopping as before.

Raise money when you search the web

Using the charity search engine easysearch instead of Google, easyfundraising will donate half a penny for every search made. Just make the link <http://fosfis.easysearch.org.uk/> your home page and raise money every time you search the web.

So please think of the money you could raise for your school as you do your online shopping.

Many Thanks for your support!
