Housekeeping

Uniform

All children should come to school wearing labelled uniform. Year 2 children are expected to collect their own belongings at the end of the day (with guidance where needed). Therefore, clearly labelled items are essential. All lost property will be gathered at the school office and the end of each week.

Newsletters/ Questions

You will receive a half termly newsletter from the Year 2 team to share learning and events that have taken place in school. This will be sent to the email address you provided.

Please contact the office or member of teaching staff at the door (during morning drop off) if you have any concerns or questions.

End of Day Collection

When collecting children from their class shapes, please wait for the teacher to dismiss your child before taking them. This is part of our safeguarding procedures.

Where possible if not already done so, please provide a small named glue stick.
